

Winter maintenance equipment — Spreading machines (gritting machines)

Part 1: General requirements and definitions for spreading machines

ICS 13.030.40

National foreword

This British Standard is the UK implementation of EN 15597-1:2009.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2010
