Winter maintenance equipment — Spreading and spraying machines

Part 1: General requirements and definitions

National foreword

This British Standard is the UK implementation of EN 15597-1:2020. It supersedes BS EN 15597-1:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
