

BSI Standards Publication

Winter maintenance equipment — Spreading and spraying machines

Part 2: Requirements for distribution and their test

National foreword

This British Standard is the UK implementation of EN 15597-2:2019. It supersedes [DD CEN/TS 15597-2:2012](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
