

BSI Standards Publication

# **Thermal insulation products for building equipment and industrial installations — In- situ thermal insulation formed from expanded perlite (EP) products**

Part 1: Specification for bonded and loose-  
fill products before installation

**National foreword**

This British Standard is the UK implementation of EN 15599-1:2010.

The UK participation in its preparation was entrusted to Technical Committee PRI/72, Rigid cellular materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
