Foodstuffs – Detection of food allergens by immunological methods

Part 1: General considerations

National foreword

This British Standard is the UK implementation of EN 15633-1:2019. It supersedes [BS EN 15633-1:2009](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/275, Food analysis - Horizontal methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
