raising standards worldwide™

National foreword

This British Standard is the UK implementation of EN 15643-2:2011. It supersedes BS ISO 21931-1:2010, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/558, Sustainability of construction works.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
