Ductile iron pipes, fittings and accessories - Requirements and test methods for organic linings of ductile iron pipes and fittings

Part 1: Polyurethane lining of pipes and fittings

National foreword

This British Standard is the UK implementation of EN 15655-1:2018. It supersedes BS EN 15655:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PSE/10, Iron pipes and fittings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
