**Acoustic properties of building elements and
of buildings - Laboratory measurement of
structure-borne sound from building service
equipment for all installation conditions**

National foreword

This British Standard is the UK implementation of EN 15657:2017. It supersedes BS EN 15657-1:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EH/1/6, Building acoustics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
