

BS EN 15681-1:2016

BSI Standards Publication

Glass in building — Basic alumino silicate glass products

Part 1: Definitions and general physical and
mechanical properties

National foreword

This British Standard is the UK implementation of EN 15681-1:2016.

The UK participation in its preparation was entrusted to Technical Committee B/520/1, Basic and transformed glass products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
