

Vitreous and porcelain enamels — Glass lined flanged steel pipes and flanged steel fittings — Quality requirements

ICS 25.220.50

National foreword

This British Standard is the UK implementation of EN 15711:2009.

The UK participation in its preparation was entrusted to Technical Committee STI/36, Vitreous enamel coatings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2009.
