

BSI Standards Publication

Hardware for furniture — Strength and durability of hinges and their components — Stays and hinges pivoting on a horizontal axis

National foreword

This British Standard is the UK implementation of EN 15828:2010.

The UK participation in its preparation was entrusted to Technical Committee FW/0/1, Common Test Methods for Furniture.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
