

Air Quality — Certification of automated dust arrestment plant monitors for use on stationary sources — Performance criteria and test procedures

ICS 13.040.01

National foreword

This British Standard is the UK implementation of EN 15859:2010.

The UK participation in its preparation was entrusted to Technical Committee EH/2/1, Stationary source emission.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2010.
