Plastics - Thermoplastic semi-finished products for machining - Requirements and test methods

National foreword

This British Standard is the UK implementation of EN 15860:2018. It supersedes BS EN 15860:2010, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/21, Testing of plastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
