

BSI Standards Publication

Foodstuffs — Simultaneous determination of nine sweeteners by high performance liquid chromatography and evaporative light scattering detection

National foreword

This British Standard is the UK implementation of EN 15911:2010.

The UK participation in its preparation was entrusted to Technical Committee AW/-/3, Food analysis - Horizontal methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
