

BS EN 15930:2010

BSI Standards Publication

Fibres — Elasticity of fibres — Test methods

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 15930:2010.

The UK participation in its preparation was entrusted to Technical Committee TCI/24, Physical testing of textiles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
