

BS EN 15978:2011

Incorporating corrigendum November 2011

BSI Standards Publication

Sustainability of construction works — Assessment of environmental performance of buildings — Calculation method

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 15978:2011.

CEN Correction Notice 23 November 2011 provided a revised English language text, incorporating the following editorial corrections:

- in tables 6, 7, 8 and 9, B3 has been corrected to read 'Repair' and B4 has been corrected to read 'Replacement';
- two sentences have been added to the beginning of Clause 9.4.2.

The UK participation in its preparation was entrusted to Technical Committee B/558, Sustainability of construction works.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
