

BS EN 16009:2011

BSI Standards Publication

Flameless explosion venting devices

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 16009:2011.

The UK participation in its preparation was entrusted to Technical Committee EXL/23, Explosion and fire precautions in industrial and chemical plant.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
