Paints and varnishes — Determination of non-volatile-matter content and spreading rate of coil coating materials

National foreword

This British Standard is the UK implementation of EN 16074:2019. It supersedes BS EN 16074:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee STI/21, Paint systems and surface preparation for metallic substrates.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
