

BS EN 1610:2015

BSI Standards Publication

Construction and testing of drains and sewers

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 1610:2015. It supersedes BS EN 1610:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/505, Wastewater engineering.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
