

BS EN 16155:2012

BSI Standards Publication

Foodstuffs — Determination of sucralose — High performance liquid chromatographic method

National foreword

This British Standard is the UK implementation of EN 16155:2012.

The UK participation in its preparation was entrusted to Technical Committee AW/275, Food analysis - Horizontal methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
