

BSI Standards Publication

Railway applications — Braking — Functional and performance criteria of Magnetic Track Brake systems for use in railway rolling stock

National foreword

This British Standard is the UK implementation of EN 16207:2024. It supersedes BS EN 16207:2014+A1:2019, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RAE/4/-/1, Railway applications - Braking.

A list of organizations represented on this committee can be obtained on request to its committee manager.

Contractual and legal considerations
