National foreword

This British Standard is the UK implementation of EN 16323:2014. It partially supersedes BS EN 1085:2007, which will be withdrawn on publication of the revised BS EN 12255 and BS EN 12566 series.

The UK participation in its preparation was entrusted to Technical Committee B/505, Wastewater engineering.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
