Non-destructive testing — Radiographic inspection of corrosion and deposits in pipes by X- and gamma rays

Part 2: Double wall radiographic inspection

National foreword

This British Standard is the UK implementation of EN 16407-2:2014.

The UK participation in its preparation was entrusted to Technical Committee WEE/46, Non-destructive testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
