

BSI Standards Publication

Liquefied petroleum gases — Determination of dissolved residue — Gas chromatographic method using liquid, on-column injection

National foreword

This British Standard is the UK implementation of EN 16423:2013.

The UK participation in its preparation was entrusted to Technical Committee PTI/13, Petroleum Testing and Terminology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
