

BS EN 16453:2014

BSI Standards Publication

Pulp, paper and paperboard — Determination of phthalates in extracts from paper and paperboard

National foreword

This British Standard is the UK implementation of EN 16453:2014.

The UK participation in its preparation was entrusted to Technical Committee CW/47/3, Paper and board in contact with food.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
