

BSI Standards Publication

Chimneys — Accessories

Part 6: Access components — Requirements and test methods

National foreword

This British Standard is the UK implementation of EN 16475-6:2020.

The UK participation in its preparation was entrusted to Technical Committee B/506/1, Chimneys general requirements.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
