

BS EN 16507:2014

BSI Standards Publication

Railway applications — Ground based service — Diesel refuelling equipment

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 16507:2014.

The UK participation in its preparation was entrusted to Technical Committee RAE/1, Railway Applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
