

**Mechanical products — Methodology for
reduction of environmental impacts in
product design and development**

National foreword

This British Standard is the UK implementation of EN 16524:2020. It supersedes PD CEN/TS 16524:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee TPR/1/7, Technical Product Realization - BS 8887 Design for MADE.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
