

BS EN 16566:2014

BSI Standards Publication

Paints and varnishes — Fillers for internal and/or external works — Adaptation of fillers to European standards

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 16566:2014.

The UK participation in its preparation was entrusted to Technical Committee STI/28, Paint systems for non-metallic substrates.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
