

BS EN 16602-60-02:2014

BSI Standards Publication

Space product assurance — ASIC and FPGA development

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 16602-60-02:2014.

The UK participation in its preparation was entrusted to Technical Committee ACE/68, Space systems and operations.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
