

BSI Standards Publication

Space product assurance — Relifing procedure — EEE components

National foreword

This British Standard is the UK implementation of EN 16602-60-14:2020. It supersedes BS EN 16602-60-14:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/68, Space systems and operations.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
