

BS EN 16602-70-30:2014

Incorporating corrigendum February 2017

BSI Standards Publication

Space product assurance — Wire wrapping of high- reliability electrical connections

National foreword

This British Standard is the UK implementation of EN 16602-70-30:2014. It supersedes BS EN 50389:2005 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/68, Space systems and operations.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
