National foreword

This British Standard is the UK implementation of EN 16603-70:2015. It supersedes BS EN 14737-1:2004 and BS EN 14737-2:2004 which are withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/68, Space systems and operations.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
