

BSI Standards Publication

Glass in building – Laminated glass and laminated safety glass – Determination of interlayer viscoelastic properties

National foreword

This British Standard is the UK implementation of EN 16613:2019.

The UK participation in its preparation was entrusted to Technical Committee B/520, Glass and glazing in building.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
