

BS EN 16687:2015

BSI Standards Publication

Construction products — Assessment of release of dangerous substances — Terminology

National foreword

This British Standard is the UK implementation of EN 16687:2015.

The UK participation in its preparation was entrusted to Technical Committee B/557, Construction products - Assessment of dangerous substances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
