Natural gas and biomethane for use in transport and biomethane for injection in the natural gas network

Part 1: Specifications for biomethane for
injection in the natural gas network

National foreword

This British Standard is the UK implementation of EN 16723-1:2016.

The UK participation in its preparation was entrusted to Technical Committee PTI/15, Natural Gas and Gas Analysis.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
