Centrifugal pumps — Test procedure for seal packings

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 16752:2015.

The UK participation in its preparation was entrusted to Technical Committee MCE/6, Pumps and pump testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
