

BSI Standards Publication

Bio-based solvents – Requirements and test methods

National foreword

This British Standard is the UK implementation of EN 16766:2017. It supersedes PD CEN/TS 16766:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MI/2, Bio-based products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
