

BSI Standards Publication

Thermal insulation products — Product category rules (PCR) for factory made and in-situ formed products for preparing environmental product declarations

National foreword

This British Standard is the UK implementation of EN 16783:2017.

The UK participation in its preparation was entrusted to Technical Committee B/540, Energy performance of materials components and buildings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

ISBN 978 0 580 86698 2

ICS 91.120.10

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2017.
