Bio-based products - Bio-based content

Part 2: Determination of the bio-based content using the material balance method

National foreword

This British Standard is the UK implementation of EN 16785-2:2018.

The UK participation in its preparation was entrusted to Technical Committee MI/2, Bio-based products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
