

BSI Standards Publication

Ice-cream freezers — Classification, requirements and test conditions

National foreword

This British Standard is the UK implementation of EN 16901:2016.

The UK participation in its preparation was entrusted to Technical Committee RHE/19, Commercial refrigerated food cabinets (cold room and display cases).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
