

BSI Standards Publication

**Automotive fuels and fat and oil derivatives -
Determination of sterol glycosides in fatty
acid methyl esters (FAME) - Method by GC-
MS with prior purification by SPE**

National foreword

This British Standard is the UK implementation of EN 16934:2017.

The UK participation in its preparation was entrusted to Technical Committee PTI/13, Petroleum Testing and Terminology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
