

BSI Standards Publication

Thermal spraying - Components with thermally sprayed coatings - Coating specification

National foreword

This British Standard is the UK implementation of EN 17001:2018.

The UK participation in its preparation was entrusted to Technical Committee STI/40, Thermal spraying and thermally sprayed coatings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
