National foreword

This British Standard is the UK implementation of EN 17034:2018. It supersedes BS EN 881:2004 and BS EN 883:2004, which are withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CII/59, Chemicals for drinking water treatment.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
