

BSI Standards Publication

**Information technology – Fishery and
aquaculture products – Requirements for
labelling of distribution units and pallets in the
trade of fishery and aquaculture products**

National foreword

This British Standard is the UK implementation of EN 17099:2020.

The UK participation in its preparation was entrusted to Technical Committee IST/34, Automatic identification and data capture techniques.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
