Conservation of Cultural Heritage — Characterization of mortars used in cultural heritage

National foreword

This British Standard is the UK implementation of EN 17187:2020.

The UK participation in its preparation was entrusted to Technical Committee B/560, Conservation of tangible cultural heritage.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
