

BSI Standards Publication

Determination of compressive shear strength of wood adhesives at elevated temperatures

National foreword

This British Standard is the UK implementation of EN 17224:2019.

The UK participation in its preparation was entrusted to Technical Committee PRI/52, Adhesives.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
