

BSI Standards Publication

Industrial trucks — Specifications and test methods — Operator restraint systems other than lap-type seat belts

National foreword

This British Standard is the UK implementation of EN 17314:2020.

The UK participation in its preparation was entrusted to Technical Committee MHE/7, Industrial trucks.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
