

BSI Standards Publication

Characterisation of one component foam

Part 2: Expansion characteristics

National foreword

This British Standard is the UK implementation of EN 17333-2:2020, incorporating corrigendum June 2020.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by CEN corrigendum June 2020 is indicated in the text by AC AC.

The UK participation in its preparation was entrusted to Technical Committee PRI/52, Adhesives.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
