Textiles and textile products

Part 2: Safety of children's clothing — Security of attachment of buttons — Test method

National foreword

This British Standard is the UK implementation of EN 17394-2:2020.

The UK participation in its preparation was entrusted to Technical Committee TCI/66/-/2, Safety of children's clothing.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
